## Need for Speed at Lydd Karting Circuit

On October 1st, our boarders took off to Lydd Kart Circuit where they spent the day zooming around the track! The boarders were split into three groups: in group 1, first place went to Moritz; in group 2, Miss Morgan came first; and in group 3, Fabio won! Out of all of the boarders Fabio had the

fastest lap time: a staggering  
31.124 seconds!

Congratulations to everyone who  
took part and gave it a go!

## Quiz Night

As part of our Monday Community Day, our boarders had the opportunity to take part in a boarding quiz night. With topics ranging across history and culture, they had the perfect opportunity to show off their knowledge!

## Club Testimonials

### **Cira (Yr 9 - Foodie Club)**

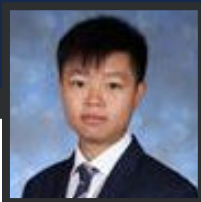

It's really fun doing Foodie club as you're learning a new life skill that's going to be incredibly useful in the future as well. You can also keep the recipes you learn and share them with your friends and family!

### **Alison (Yr 10 - Ceramics)**

There's so much freedom in what we can create and we can also make ceramic pieces relating to things like our GCSE topics. It's useful and very fun!

## Sport News

Congratulations to our basketball team who won their first fixture this week against Kent College 71-45, a special mention goes out to Saeed who came on from the bench for the last few minutes and scored a wonderful 3-point basket.

## Boarders of the Week

Congratulations to Alyssa, our Boarder of the Week! As an active member of our boarding community, she always does her best, maintains a perfect room score and often volunteers to help out. Apart from her 7 school commendations, she has received a boarding community action commendation for going out of her way to encourage harmony between all our top floor residents this week. Thank you Alyssa! Congratulations to Tommy for being awarded boarder of the week in Alfred! This was given for being a great role model around the house resulting in him being awarded house points on multiple occasions.
