## Halloween Boarding Party

Celebrating spooky season in style on Friday the 13th October, our boarders all took part in a Halloween themed party - including a holiday style buffet dinner, firework display and disco thereafter. A special mention must go out to both houses who really embraced the fancy dress competition, with some amazing and well thought out outfits on show.

## Sport News

Our basketball team has been extremely busy in recent weeks, with fixtures against local schools. It's great to see our boarders enjoying their basketball and putting in impressive performances - a special mention for their game against Duke of York School for putting in a great performance resulting in a win.

## Boarder of the week!!!

Congratulations to Brabourne's boarder of the week, Martina! She is performing well at school: already earning 7 commendations across all her subjects! In the house she has a perfect room score average and is always punctual, polite and friendly. Congratulations to Alfred's boarder of the week, Alex! Alex is a great role model within the house and always actively participates in house events. Alex also represents both school and boarding in our senior sports teams during the week and on weekends.

## Activities

Our boarders have been up to plenty upon their return after the half term break - including outings to a rock climbing centre and more recently they attended the escape rooms in Ashford.
