

ASHFORD SCHOOL

Sixth Form Dress Code

The Sixth Form are required to wear the school suit which is available online from School Blazer (www.schoolblazer.com) or a classically cut dark suit from a traditional high street retailer.

Sixth Formers are expected to set an appropriate example to others in work, behaviour and appearance. The dress code is designed to allow a choice of what to wear within the general confines of professional business dress and also to protect from the pressure of feeling the need to compete with others over fashion.

Sixth Form students must be well turned out at all times and their appearance should not be ostentatious. They must wear the uniform specified by the School and their clothes should be clean, in good repair and worn properly. Hair must be tidy and its length and style should be acceptable to the Director of the Sixth Form, as must any fashion accessories. Any hair colouring should be discreet and 'natural'. Students are expected to keep within the ethos of the dress code and should be smart at all times.

The Director of the Sixth Form has the authority, after proper consideration, to rule on any variation of the dress code not covered and to make judgements regarding acceptable dress and appearance. Any student who repeatedly fails to observe these specific requirements or the spirit of the code for dress and appearance may be excluded from school or be subject to other reasonable sanctions.

The dress code is very clear about what we expect of Sixth Formers. Please check before you buy items if you are unsure about their appropriateness. Specific requirements are below:
