Co-Curricular Programme 2026 - 2027

INTRODUCTION

I am pleased to share this year's co-curricular programme and hope that the wide variety of clubs, societies and activities available will inspire you to try something new and pursue your interests.

At Ashford School, opportunities beyond the classroom are a valued part of every student's educational experience, and we encourage all students to take an active role in school life.

Through our co-curricular provision, we aim to help students develop their talents, broaden their interests and foster a lifelong enthusiasm for learning and personal growth.

The programme includes both compulsory and optional elements, with participation requirements tailored to the different stages of a student's journey through the school.

Our aim is to encourage you to select a well-rounded programme of activities. All activities are listed in categories, Care, Craft and Cognition. You are encouraged to select activities from each category to ensure you taking part in a broad programme.

Care activities focus on wellbeing, caring for others and the environment around us.

Craft focusses on developing practical skills and techniques that can be applied to projects.

Cognition centres on learning and developing your 'thinking skills'.

The Ashford School Co-Curricular Diploma aims to recognise co-curricular contributions beyond after school activities and is measured over a longer period of time in three different levels. The table on the following page outlines how pupils can achieve their award.

Beyond the activities listed in this booklet, the Co-Curricular Diploma recognises your membership of sports teams, your performances in music and drama events as well as your contributions to charity initiatives amongst other school commitments.

This booklet details a wide range of activities from across the three school terms. Not every activity is available in each term and you and your parents should check SOCS for the current list of "active activities".

I do hope you enjoy reviewing the different activities on offer this year. We are always keen to consider and support new activities, these can be communicated directly to Mr Grieves (grievest@ashfordschool.co.uk).

Mr T Grieves
Deputy Head

Co-Curricular Diploma

Grey Award Year 7 & 8	**Red Award** **Year 9, 10 & 11**	**Blue Award** **Year 12 & 13**
Participate in a club or society from each of the Care/Craft/Cognition categories across the two years of the Lower School.	Participate in two different clubs or societies from each of the Care/Craft/Cognition categories across the three years of the Middle School.	Lead a Care, Craft or Cognition club or society for members of the middle, lower or prep school across a single term.
Pupils must complete all listed *contribute* elements • Participate in at least three musical and/or theatrical events as either a performer or member of the crew • Represent the school competitively in at least three different sports • Make two contributions to whole school/divisional assemblies or church services through reading, solo singing, individual music performance or presenting • Submit an entry to one internal school competition (bake off, Christmas card, photography)	Pupils must complete at least **four** listed *contribute* elements • Participate in two major dramatic productions as either a performer or member of the crew • Perform in five musical concerts or showcases • Achieve regional/national recognition in a single sport • Complete the bronze and silver Duke of Edinburgh Award • Complete a minimum of two years of service in the CCF • Complete three externally assessed music, dance, LAMDA or drama grades • Make three contributions to whole school/divisional assemblies or church services through reading, solo singing, individual music performance or presenting	Pupils must complete at least **three** *contribute* elements • Represent the school competitively in sport 40 times across the two academic years and or perform a 1st team sporting captaincy role • Take a lead role in the cast or crew for a major school production • Direct and/or produce a music or drama performance within a major concert or during Arts Fest. • Complete the Duke of Edinburgh Gold Award • Complete two years of service in the CCF • Significant and consistent involvement in whole school assemblies and services through reading, solo singing, music performance or presenting • Lead a major fundraising initiative for one of the school's nominated charities • Lead, chair or coordinate a school wide pupil group • Create three pieces of published content for school social and promotional feeds (blogs, videos, posters and articles)

PERFORMING ARTS.....14

SPORT.....18

WELLBEING & RECREATION.....21

CARE: **Focused on your own well-being, caring for others and the environment around you.**

CRAFT: **Learning and applying practical skills and techniques.**

COGNITION: **Thinking and learning based activities, focused on developing your cognitive skills.**

ACADEMIC ENRICHMENT

DIPLOMA IN SPANISH AS A FOREIGN LANGUAGE

Cognition Year 12,13

This is an official Spanish language qualification, internationally recognised. It will be offered to students currently doing Spanish A Level in Year 12 and Year 13.

BEE CLUB

Care Year 9,10,11,12,13

Exploring the honey bee, its life cycle, activities and how to keep a safe colony of honey bees. We have recently purchased three hives and our first swarm of bees arrived in the summer. Help our staff experts look after the hives, draw the honey.

YOUNG ENTERPRISE

Cognition Year 12

This Year 12 activity gives students the opportunity to set up and run their very own business. The team of directors will put some of their capital into the firm, design the product, and sell it, hopefully at a profit!

MADSOC (MEDICAL AND DENTISTRY SOCIETY)

Care Year 11,12,13

This weekly group is designed to support those with an interest in learning more about further education and careers in medicine and dentistry.

ZOOLOGY NEW FOR 2026

Cognition Year 7,8,9.10

Pupils with an interest in Science can watch documentaries and other related programs with others who share the same interest. We watch a lot of David Attenborough programs and discuss environmental issues when they arise, such as damage to our Oceans

CODING CLUB NEW FOR 2026

Cognition Year 7,8

Aimed at absolute beginners to text-based programming, Coding Club dives into the world of C# programming, where you'll learn how real games, apps, and digital tools are designed and coded. You'll explore the basics of coding and then progress to creating text-based games while building problem solving skills and confidence. Whether you're curious about coding or dreaming of becoming a game developer, you'll gain hands on experience, teamwork skills, and the chance to bring your ideas to life. The club is aimed at Years 7 and 8, however pupils in higher years who struggle at coding, but are interested at taking Computing Science GCSE are welcome to join.

FRENCH CULTURE CLUB

Cognition Year 7,8,9,10

French Culture Club will provide students with a view on different areas and celebrations across the French speaking world. We will explore all elements of culture; from sport, music, and drama to food, geography and politics and much more as well!

HISTORY DOCUMENTARY AND FILM CLUB

Cognition All Years

History Documentary and Film Club will extend your historical and general knowledge by exposing you to History beyond what is taught in the classroom. We will include Ancient civilizations, European and World history and interesting individual stories that shed light on an era.

WEB APPLICATION DEVELOPMENT NEW FOR 2026

Cognition Year 7,8,9,10,11,12,13

Web Application Development Club is aimed at pupils who want to learn how to build real, professional quality websites using HTML, CSS, JavaScript, PHP and SQL. You'll design modern layouts, create interactive features, build dynamic pages that respond to user input, and store data in your own databases - just like real developers do. By the end, you'll have the skills to create polished, portfolio ready web apps and the confidence to take on more advanced coding challenges. This club is aimed at Years 9 to 11, and will particularly benefit pupils considering Computer Science at A-Level in the future. Year 7 and Year 8 pupils who have some coding experience are welcome to join, as are Year 12s who may be considering a web-based project for A-Level.

CREATIVE ARTS

ART FOR WELLBEING

Care All Years

A relaxed and fun environment to try out new processes and skills, work on an ongoing larger project, or to just get creative and let out how you are feeling in any art form you like.

ART SCHOLARS - STILL ALIVE ARTIST SOCIETY

Craft Year 7,8,9,10

This year's artist residency will be lead by Tapped In, a curatorial collective of painters, sculptors, and photographers who believe a gallery should be as creative as its artworks. Tapped In aspires to build welcoming exhibitions focused around moments of interactivity, encouraging visitors to play games, solve puzzles, dig for treasure, and battle robots.

Students will be guided through the stages of developing a collaborative exhibition. Sessions will aim to impart the practical skills around planning, marketing, and curation that enables greater ambition within an individual art practice. Alongside being encouraged to create artworks intentionally considering audience and installation.

CERAMICS CLUB

Craft Year 7,8,9,10

Students can design, make and glaze their own animal sculptures in clay, have a go on the throwing wheel and create coil pots.

PHOTOGRAPHY & ILLUSTRATION NEW FOR 2026

Craft Year 7,8,9,10

A wide ranging creative activity tailored to student interests focusing on photography work and techniques as well as designing eye catching illustrations for publications and posters.

SKETCHBOOK MENTOR GROUP

Craft Year 9,10,11,12,13

Led by senior VI form artists this is an opportunity for students to chill out and do some examination coursework or personal work alongside their peers.

LIFE SKILLS

E24 (BUILD AN ELECTRIC RACING CAR)

Craft Year 9,10

Project manage the building of an electric Formula 24 race car and be part of the team taking the finished product to the race track.

FOODIE CLUB

Craft Year 7,8,9,10,11

A chance for students to select and make various food dishes from around the world, sweet or savoury!

REWILDING AND GARDENING FOR WILDLIFE

Care Year 10,11,12,13

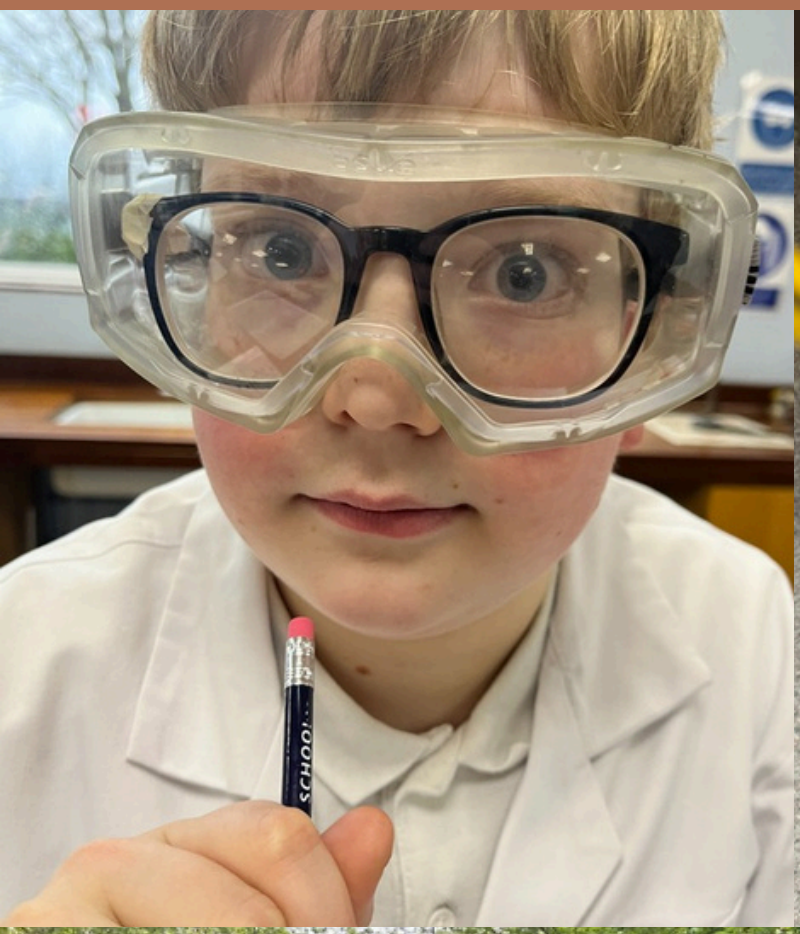
The club aims to improve biodiversity around the school and teach pupils about local wildlife. Dry weather activities will include maintaining gardens and meadow areas, planting wildflowers, mounting bird, bat and bee boxes, and "school safaris" where we explore the school grounds to spot and identify species. Other activities will include talks on rewilding, identifying species of plants, birds, bees and butterflies to indicate biodiversity.

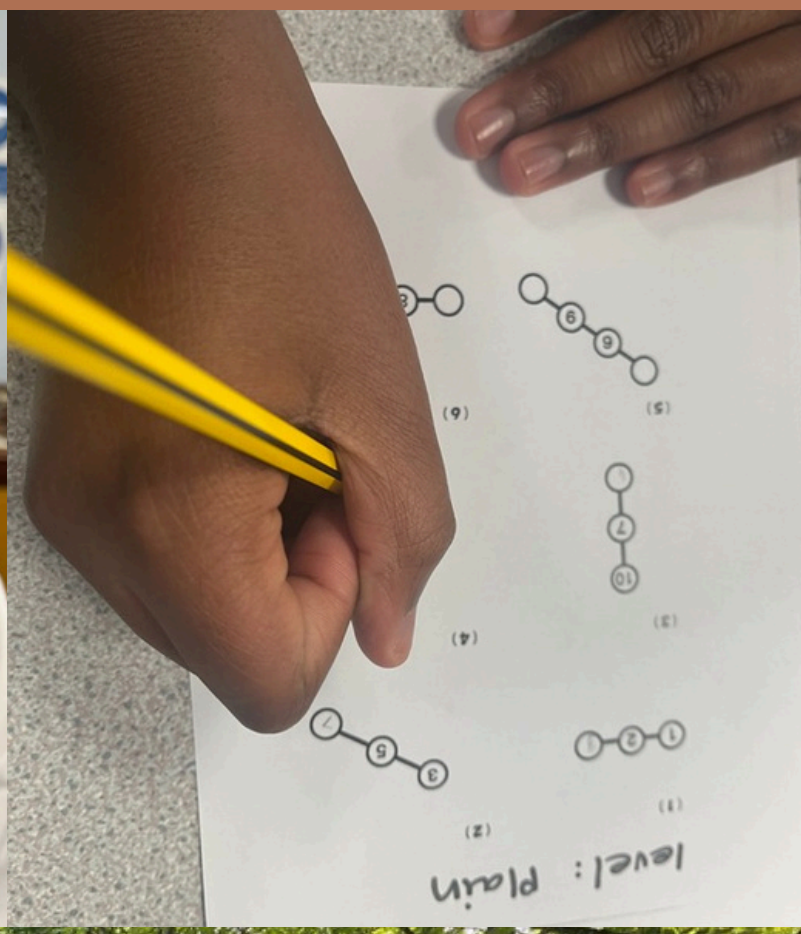
TOUCH TYPING

Craft Year 7,8

Learn to type without looking at the keyboard! A very useful skill nowadays as more and more work is done on a computer, so being a fast and accurate keyboard user is essential!

OUTDOOR EDUCATION & COMMUNITY SERVICE





CHEMISTRY ACADEMY

Care Year 11,12,13

Supplement your chemical knowledge with exciting and spectacular chemistry practical experiments designed to wow an audience and delivered to local primary pupils.

COMBINED CADET FORCE

Craft Year 8,9,10,11,12,13

The Combined Cadet Force is a youth organisation in the United Kingdom, sponsored by the Ministry of Defence, which operates in schools. The CCF will take you out of your comfort zone with a variety of different activities in a safe and fun environment.

DUKE OF EDINBURGH AWARD BRONZE

Care Year 9

A life-changing experience. A fun time with friends. An opportunity to discover new interests and talents. A tool to develop essential skills for life and work. A recognised mark of achievement; respected by employers. All Year 9 participate in this award.

DUKE OF EDINBURGH AWARD SILVER & GOLD

Care Year 10,11,12,13

Take your Duke of Edinburgh journey to the next step by signing up for Silver and then maybe even Gold. Expeditions go slightly further affield and you are challenged along across a broader set of skills.

MATHS ACADEMY

Care Year 11,12,13

Maths Academy gives you the opportunity to plan and deliver fun Maths activities to local primary pupils.

ORIENTEERING

Craft All Years

Want to learn a new skill or perhaps you are already an expert? Orienteering combines physical fitness with an ability to read a map and navigate unfamiliar terrain, all whilst making quick decisions.

STUDENT PARLIAMENT

Care All Years

The Student Parliament is an elected body of students with representatives from all Houses, Day and Boarding, and all year groups. The Parliament meets on a fortnightly basis and is responsible for representing the student voice.

THE IMPACT SQUAD

Care Year 9,10,11,12,13

Love making a difference? Want to be creative and work as a team? We're looking for enthusiastic students to join our squad and support our school. Together, we'll brainstorm fundraising ideas, create amazing products, and learn valuable entrepreneurial skills. Our goal is to raise money and make a lasting impact on our community. Are you creative, enthusiastic, a team player, motivated, and community-minded? Join us!

PERFORMING ARTS

PERFORMING ARTS

ASHFORD SCHOOL CHOIR

Craft — All Years

Ashford School Choir members are some of our school's most important ambassadors - the choir often represents the school at concerts, church services and external events. Singers and musicians alike are encourgaed to take up choir as ensemble singing is an invaluable way to expand musical knowledge and sightreading skills and well as practical singing technique and ensemble skills.

ASHFORD YOUTH JAZZ ORCHESTRA

Craft — Year 9,10,11,12,13

Kent's premier Jazz ensemble and Big Band.

ASHTEC

Craft — Year 7,8,9,10

An opportunity for students to learn the technical aspects of production including sound, lighting and set design. You will be expected to support the junior show before Christmas.

BALLET

Craft — Year 7,8,9

Work through ballet grades with an opportunity to perform in termly showcases.

BAND WORKSHOP

Craft — Year 9,10,11,12,13

Ever wanted to be in a band? Enjoy making music with friends? Take part in a regular jam session and live performance workshop.

BRASS ENSEMBLE

Craft — All Years

Ashford School Brass Ensemble invites brass players of all abilities to hone their ensemble skills. Ensembles also offer the opportunity to perform a piece for our termly concerts.

COMPOSITION WORKSHOP

Craft — All Years

A session designed to support those taking academic music classes with the composition module as well as those keen on developing this valuable musical skill to support their own practice

DANCE

Craft — Year 7,8,9

Ashford Schools' senior dance group, working towards performances at Arts Fest, Mid Kent Junior Dance Festival and other local and national competitions.

FLUTE GROUP

Craft — All Years

Ashford School Flute Group invites flute players of all abilities to hone their ensemble skills. Ensembles also offer the opportunity to perform a piece for our termly concerts.

JAZZ BAND

Craft — All Years

Ashford School Jazz Band offers the chance to play exciting jazz and big band arrangements, and also offers opportunity for those who learn instruments not included in our classical orchestra groups. Ensembles also offer the opportunity to perform a piece for our termly concerts.

JUNIOR DRAMA CLUB

Craft Year 7,8

The group will be preparing to perform High School Musical at the end of the Autumn Term.

JUNIOR GUITAR ENSEMBLE

Craft Year 7,8

Guitar group featuring dedicated guitarists in Years 7 & 8. Ensembles also offer the opportunity to perform a piece for our termly concerts.

JUNIOR RECORDER ENSEMBLE

Craft Year 7,8,9

Recorder ensemble featuring our lower school players. Ensembles also offer the opportunity to perform a piece for our termly concerts.

MUSIC THEORY GROUP

Cognition All Years

The music theory group is a great way for new musicians to compliment their practical studies, or for more experienced musicians to brush up on their foundations. For higher level music theorists, it is a requirement to obtain Grade 5 Theory before embarking upon ABRSM practical exams above Grade 5 level, and music theory group provides the tools to succeed in obtaining this.

ORCHESTRA

Craft Year 9,10,11,12,13

Our main school orchestra features dedicated musicians from our upper years groups. Our school orchestra provides valuable ensemble experience for those wishing to pursue their musicianship throughout school and beyond, as well as multiple performance opportunites throughout the school calendar.

PERCUSSION ENSEMBLE

Craft All Years

A group for all those playing or interested in percussive instruments. There will be opportunity to perform at our termly concerts.

SENIOR GUITAR ENSEMBLE

Craft Year 9,10,11,12,13

Senior Guitar Ensemble is our largest guitar ensemble featuring the school's most experienced guitarists. Ensembles also offer the opportunity to perform a piece for our termly concerts.

SENIOR GUITAR QUARTET

Craft Invite Only

Guitar group featuring dedicated guitarists in Years 9-13. Ensembles also offer the opportunity to perform a piece for our termly concerts.

SENIOR MUSICAL

Craft Year 9,10,11,12,13

An opportunity for students to develop their drama skills, audition and perform in ArtsFest26

SENIOR RECORDER ENSEMBLE

Craft All Years

Recorder ensemble featuring our upper school players. Ensembles also offer the opportunity to perform a piece for our termly concerts.

SHOW CHOIR

Craft All Years

Come and have fun singing some great show tunes with the opportunity to perform at our termly concerts.

STRING ENSEMBLE

Craft All Years

String Group invites string players of all abilities to develop their musicianship in an ensemble setting. Ensembles also offer the opportunity to perform a piece for our termly concerts.

BOYS CHOIR

Craft Year 7,8,9

Boys Choir is an opportunity for young male voices to work on a broad range of music in a small ensemble with our singing teacher, Gregory Tassell. It will provide a positive and safe environment for changing voices wanting to gain confidence singing in harmony and performing in concerts.

JUNIOR ROCK BAND

Craft Year 7,8,9

A lunchtime rehearsal club for those who wish to play together in concerts and events.

TRAINING ORCHESTRA

Craft Year 7,8,9

Training Orchestra is ideal for strings, wind and brass players to develop their technique in their instrument through sight-reading, ensemble skills and tuning. Pupils must be Grade I - III or have been playing at least a year. TO is the best route to achieving a place in the Senior Orchestra.

VOCAL ENSEMBLE

Craft Year 7,8,9,10

Smaller singing ensemble which offers the chance to sing genres not covered by our main school choir, such as musical theatre. Great for singers wishing to develop musicianship and harmony skills. Ensembles also offer the opportunity to perform a piece for our termly concerts.

YEAR 7 INSTRUMENTAL SCHEME (SINGING)

Craft Year 7

All Year 7 students take part in this lunchtime activity, forming a choir to perform regularly at concerts across the academic year.

SPORT

SPORT

PADEL NEW FOR 2026

Craft Year 7,8

A morning padel session at Square One. Pupils must be available to be dropped off directly by 07:45. **Charged Activity.**

ARCHERY

Craft Year 7,8

A beginners Archery course designed to give you a good understanding of how a bow and arrow should be used correctly, firm knowledge on what the different parts of Archery equipment are called and how to adjust your point of aim to be able to hit the target every time!

SWIMMING

Craft All Years

Our competitive swimming programme offering both AM and PM sessions across the week. Those wishing to compete for the school in local schools' galas should attend, while those members of external swimmign clubs can supplement/or complete their full training programme in these sessions. Training sessions designed in partnership with Dover Lifeguards Swim Club. For further information please speak to Mrs Oliver.

ATHLETICS

Craft All Years

Run in the Summer Term, this group will cover all majoy athletic disciplines and pupils will be encouraged to compete at local and regional events as well as prepare for sports day.

BADMINTON CLUB

Craft Year 10,11

A social game of badminton with internal competitions in both singles and doubles.

BASKETBALL

Craft Year 7,8,9

Following the success of our senior teams in recent seasons we are delighted to offer basketball for our younger pupils. All levels are welcome.

CRICKET NETS

Craft Year 7,8,9

Run in the Spring Term this activity prepares talented cricketers for the season ahead.

FOOTBALL NEW FOR 2026

Craft All Years

Our formal competitive football programme. Training sessions for all age groups takes place (on different days) with fixtures during games afternoons. Those who wish to play for the school should ensure their attendence.

STRENGTH & CONDITIONING NEW FOR 2026

Craft Scholars

An opportunity for sports scholars to take part in a supervised and taught S&C session in the school gym.

SENIOR PRE SEASON

Craft — Year 10,11,12,13

Weekly sessions focussed on preparing our sports teams for the upcoming season. In the autumn term our focus is boys hockey and girls netball, in the spring term the focus for both boys and girls is cricket and in the summer term boys prepare for rugby while the girls switch to hockey.

JUNIOR PRE SEASON

Craft — Year 7,8,9

Fortnightly sessions focussed on preparing our sports teams for the upcoming season. In the autumn term our focus is boys hockey and girls netball, in the spring term the focus for both boys and girls is cricket and in the summer term boys prepare for rugby while the girls switch to hockey.

SCHOLARS MASTERCLASS NEW FOR 2026

Craft — Scholars

Lunchtime skill sessions in all major school sports.

WATER POLO NEW FOR 2026

Craft — All Years

Spend time in the pool playing this fast paced and tiring sport. Participants must be competent swimmers.

INDOOR CYCLING NEW FOR 2026

Craft — All Years

To improve cycling and general fitness.

STRENGTH & CONDITIONING

Craft — Year 10,11,12,13

A supervised and dedicated session in the school gym for those looking to support their on pitch performance and/or overall athletic ability.

TABLE TENNIS

Craft — All Years

Recreational table tennis catering for anyone wishing to develop their skills and game understanding. No experience necessary.

TENNIS

Craft — All Years

Run in the Summer Term this activity caters for those wishing to play competitively for the school and also for those looking to enjoy tennis simply as a recreational activity.

INDOOR HOCKEY NEW FOR 2026

Craft — All Years

Preparing for district, county and regional indoor competitions in the Autumn Term.

INTRODUCTION TO PENTATHLON NEW FOR 2026

Craft — All Years

The school has a long tradition of supporting multi-event athletes. National pentathlon coach Bill Bland works with the school and is pleased to offer an opportunity to those who are keen to try out this discipline. It would be of particular interest to those who are keen/able swimmers and runners.

WELLBEING & RECREATION

BOARD GAMES CLUB

Care Year 7,8,9,10

Come and play traditional board games in a relaxed environment with your friends.

CHESS CLUB

Cognition Year 7,8,9

Develop your reasoning and strategic thinking with this 1500-year-old board game, played by 605 million people worldwide! A great skill to have that can challenge everyone (knowledge of how to play the game is required).

CATALYST

Care All Years

Catalyst is a co-curricular club in which members enjoy discussing the big questions we all have in a relaxed and informal way: Who and I? Where am I, What's wrong with the world, and what answers could we offer?

DUNGEONS & DRAGONS

Cognition Year 7,8,9,10

Work as a team to explore a fantastical world where your character will grow with the story. Collaboration, communication and creativity are vital to success.

EQUITY, DIVERSITY & INCLUSION GROUP

Care All Years

The Equity, Diversity, and Inclusion (EDI) Committee will lead the way for specific EDI events throughout the school year, as well as opportunities to educate others and promote change to improve education. You will learn the leadership and communication skills needed to be successful whilst fully utilising the school's seven learning habits.

JEWELLERY MAKING

Craft Year 7,8

Display your creativity by designing and producing different types of bracelets, rings, and necklaces, using a variety of techniques and materials.

MINDFULNESS MONDAY

Care Year 7,8,9,10

Mindfulness is much needed in today's busy world and this activity will explore ways in which we can practice mindfulness in our day-to-day lives to promote healthier brains and cognition.

REMOTE CONTROL CAR CLUB

Craft Year 7,8,9

Get ready to race! The Remote Control (RC) Car Club is a high-energy, hands-on extracurricular activity where students can explore the excitement of remote control car racing. Each session will include heats and fun races using standard stock cars, giving everyone a chance to compete on a level playing field. There will also be plenty of free time for students to run and race their own RC vehicles, experiment with racing lines and develop their driving skills. Whether you're a beginner or an experienced RC enthusiast, this club is all about friendly competition, teamwork, and fast-paced fun!

SCRABBLE GO

Care Year 7,8,9

Online version of Scrabble with automatic scoring.

DARTS

Cognition Year 9,10

Throw for a 180 and hit your doubles. Darts is here. Experience not necessary, but a sensible approach is.

AUTUMN TERM 2026 MONDAY ACTIVITY LIST

ARRANGEMENTS ARE CORRECT AT THE TIME OF PUBLICATION. PLEASE CHECK SOCS FOR UP TO DATE LISTINGS BEFORE THE SELECTION WINDOW OPENS ON 4 SEPTEMBER.

Club/Society/Activity	Day/Time	Venue
